Last Updated: 20.03.2025

1. Introduction

Welcome to Privax.xyz, a platform operated under the governance of DAO Privax ("Privax," "we," "us," or "our"). By accessing or using our website, services, and any related materials (collectively, "the Services"), you agree to abide by these Terms of Use ("Terms"), along with our Privacy Policy and any other applicable policies (collectively, "the Agreement"). If you do not agree to these Terms, please refrain from using the Services.

2. Authorized Use

You may only use the Services in accordance with their intended purpose and applicable laws. If you are accessing the Services as an individual, you must be at least 18 years old or the legal age of majority in your jurisdiction. If you are representing an entity, you confirm that you have the authority to enter into this Agreement on behalf of that entity.

The Services are not available to individuals or entities subject to sanctions, including those enforced by the United Nations, the U.S. Department of the Treasury's Office of Foreign Assets Control (OFAC), the European Union, or any other relevant authority. If you fall under these restrictions, you must cease using the Services immediately.

3. Modifications and Service Suspension

We reserve the right to update these Terms at our discretion. Continued use of the Services after updates signifies your acceptance of the changes.

We may modify, suspend, or discontinue any aspect of the Services at any time without notice. This includes removing content, restricting access, or making changes to features and functionalities.

4. Nature of Services

Privax provides software-based solutions and informational resources but does not act as a financial intermediary, custodian, broker, or payment provider. We do not hold, manage, or control virtual assets or user funds.

Any transactions involving blockchain-based smart contracts are entirely your responsibility. DAO Privax does not oversee or control the execution of these transactions, and you assume all risks associated with using blockchain technology.

5. Third-Party Links and Resources

The Services may contain links to third-party websites or platforms for convenience. We are not responsible for their content, security, or privacy policies. Engaging with any external service is at your own risk.

6. Risk Acknowledgment

Blockchain transactions involve inherent risks, including volatility, security vulnerabilities, and regulatory uncertainty. By using the Services, you acknowledge and accept these risks. DAO Privax is not liable for any financial losses, security breaches, or unintended consequences arising from your use of blockchain-based applications or smart contracts.

7. Fees and Taxes

Certain blockchain transactions may require network fees ("gas fees"), which are your responsibility. Additionally, any taxes related to your use of digital assets or transactions must be managed and paid by you in accordance with applicable laws.

8. Intellectual Property

All content, software, and materials provided by Privax are protected by intellectual property laws. Your use of the Services grants you a limited, non-transferable, revocable license to access the platform for personal or organizational use, but does not provide any ownership rights.

9. Prohibited Activities

Users are prohibited from engaging in activities including, but not limited to:

- Unauthorized access, hacking, or tampering with the Services.
- Using automated scripts, bots, or scraping tools.
- Distributing malware, viruses, or any malicious code.
- Circumventing security measures or engaging in fraudulent activity.
- Violating intellectual property rights or impersonating others.
- Engaging in money laundering, terrorist financing, or other illegal activities.

Violation of these terms may result in suspension, restriction, or permanent termination of access to the Services.

10. Disclaimers and Limitations of Liability

THE SERVICES ARE PROVIDED "AS IS" WITHOUT WARRANTIES OF ANY KIND. DAO PRIVAX DISCLAIMS ALL LIABILITY FOR DAMAGES ARISING FROM YOUR USE OF THE SERVICES, INCLUDING, BUT NOT LIMITED TO, LOSS OF FUNDS, SECURITY BREACHES, OR TECHNICAL FAILURES.

IN NO EVENT SHALL DAO PRIVAX OR ITS CONTRIBUTORS BE LIABLE FOR MORE THAN \$100 IN TOTAL DAMAGES ARISING FROM THE USE OF THE SERVICES.

11. Indemnification

You agree to indemnify and hold DAO Privax harmless from any claims, damages, or liabilities resulting from your use of the Services, violation of these Terms, or infringement of third-party rights.

12. Dispute Resolution and Arbitration

Any disputes arising from these Terms shall be resolved through binding arbitration. You waive the right to participate in class-action lawsuits. Arbitration shall take place in a neutral jurisdiction, as determined by DAO Privax.

13. Termination

DAO Privax reserves the right to terminate or suspend your access to the Services at any time if you violate these Terms or if continued service provision is deemed non-viable.

14. Governing Law

These Terms are governed by the laws of the jurisdiction where DAO Privax is established, without regard to conflict of law principles.
